

Disaster Assistance to Arizona Small Businesses Economically Impacted by the Coronavirus (COVID-19)

Maricopa, Arizona March 20, 2020 - The U.S. Small Business Administration is offering low-interest federal disaster loans for working capital to Arizona small businesses suffering substantial economic injury as a result of the Coronavirus (COVID-19).

The disaster declaration makes SBA assistance available in the entire state of Arizona.

“Small businesses, private non-profit organizations of any size, small agricultural cooperatives and small aquaculture enterprises that have been financially impacted as a direct result of the Coronavirus (COVID-19) since Jan. 31, 2020, may qualify for Economic Injury Disaster Loans of up to \$2 million to help meet financial obligations and operating expenses which could have been met had the disaster not occurred,” said SBA Administrator Jovita Carranza.

“These loans may be used to pay fixed debts, payroll, accounts payable and other bills that can’t be paid because of the disaster’s impact. Disaster loans can provide vital economic assistance to small businesses to help overcome the temporary loss of revenue they are experiencing,” Carranza added.

Eligibility for Economic Injury Disaster Loans is based on the financial impact of the Coronavirus (COVID-19). The interest rate is 3.75 percent for small businesses. The interest rate for private non-profit organizations is 2.75 percent. SBA offers loans with long-term repayments in order to keep payments affordable, up to a maximum of 30 years and are available to entities without the financial ability to offset the adverse impact without hardship.
